Cebu City

Dear Dr. Dulangon:

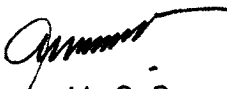

The Philippine-American Educational Foundation (PAEF, also referred to as the Fulbright Commission in the Philippines) is pleased to announce the start of the competition for the 2015-2016 Fulbright graduate degree (i.e., master's, Ph.D.) and non-degree (i.e., doctoral dissertation research) in the United States beginning December 9, 2013. We request for your assistance in disseminating the information and in recruiting applicants for the Fulbright Graduate Student Program. Applications for these grants will be received by PAEF until March 24, 2014.

Fulbright grants have been awarded since 1948 to nearly 2,000 Filipinos. The purpose of the grants is to enable deserving Filipinos to pursue their fields of study in the United States and develop leaders in their fields of specialization and to contribute to fostering mutual understanding between the people of the United States and the Philippines. Today, Fulbright alumni occupy prominent positions in the government and the private sector.

We have enclosed one (1) set of Fulbright application materials and poster with the request that you give them to interested qualified applicants. Additional competition materials may be obtained directly from the PAEF office and can be downloaded from the PAEF website www.fulbright.org.ph. We strongly encourage interested applicants to check our website and to download the required form. The attached application form may be photocopied.

We look forward to your participation this year. Thank you.

Sincerely,

Esmeralda S. Cunanan
Executive Director

APPLICATION

A complete application consists of the following components:

1. APPLICATION FORM

In the first seven pages you will state biographical information, study objectives, curriculum vitae, and other information.

Often specific instructions for completing a question or item will be provided in the application. Please read all instructions carefully. In addition, please review the following important information.

Item 1 – Name: It is very important that you list your name exactly as it appears (or will appear) on your passport.

Item 12 – Institutions Attended: Please list all post-secondary institutions attended in reverse order (putting the most recently attended first). List all post-secondary institutions attended even those from which you did not achieve a degree.

Item 24 – Study/Research Objective: The study/research objective description that you provide is an essential and highly important part of your application. You should take great care to write a clear and very detailed description of the program you want to pursue. Clearly identify the area(s) within your field of study in which you want to specialize or concentrate. If there is specific research that you want to accomplish, please describe. An unclear, incomplete, or overly brief statement can diminish your chances for a Fulbright award.

Item 25 – Personal Statement: The personal statement is a narrative statement in which you can include information about your education, practical experience, special interests, career plans, and your purpose in applying for study in the U.S.

Page 7 – University Preferences: Please note carefully, it is **not** an expectation that you will have U.S. university preferences. However, if you do, please be specific. Do not just list the name of a university. Provide the name of the department and the specific program within that department in which you are interested. If you have been in contact or correspondence with a faculty member, please provide the name and contact information for that individual. You can also use this form to provide other information that is important to you, e.g., climate, large vs. small institution, urban vs. rural location, etc.

If you have applied to a U.S. university within the past three years, please list the programs and the results. If you have letters of admission, letters of invitation, or other correspondence from a school, especially a

preferred program, please forward a copy (not the original) of this correspondence to the PAEF Office.

2. SUPPLEMENTAL FORM

Letters of Reference/Recommendation: You must have **four** letters of reference (or recommendation) submitted on your behalf. Letters of reference are extremely important. All letters of reference should be written by teachers under whom you have studied or pursued research or by someone who has supervised you in work related to your proposed field of study. Letters of reference should not be written by persons related to you either by blood or marriage or by personal friends. At least one academic and one professional or work-related letter should be included among the letters. The letters should be written in English and typewritten in black ink or printed from a computer. Please be certain to ask that both pages of the form be completed.

3. SUPPORTING DOCUMENTATION

Transcripts: Applicants must attach official, complete and certified academic documents covering the entire period of study at universities and other post-secondary institutions. Documents must be accompanied by complete official English translations. These documents must consist of:

- One certified official record (transcript) from each university or post-secondary institution you attended, even those schools from which you did not receive a degree or diploma. These transcripts should list the subjects you studied and the grades you received during each year of your enrollment. Include all post-secondary institutions you have attended, even those from which you did not receive a degree or diploma. Official transcripts must be submitted in sealed envelopes.
- Certified, official evidence of each post-secondary or university degree, diploma or certificate awarded to you should be included as part of the completed application.
- Copy(ies) of original transcript(s) for any course work (graduate or undergraduate) done in the United States must be requested by you from the U.S. institution(s) and forwarded directly to PAEF in sealed envelopes.

4. NBI CLEARANCE

Applicants should be able to submit an NBI clearance secured not earlier than six months prior to application.

**YOU SHOULD PROMPTLY INFORM PAEF OF ANY CHANGES IN YOUR ACADEMIC STATUS,
CONTACT INFORMATION, OR FUTURE PLANS AFTER THIS APPLICATION HAS BEEN SUBMITTED.**
