## **ABOUT SACEDA YOUTH LEAD**

### **WHO WE ARE**

Saceda Youth Lead, is a Youth Serving Institution of the Philippines under the auspices of the National Youth Commission. For 16 years now, it continues empowering elementary, high school and college students and even professionals to become most effective citizens of our country by providing them opportunities in leadership, community service and exchange and builds leadership through education and action.

### **WHAT WE BELIEVE**

SYL believes that through our youth and our teachers we will see the future of our country and through their good deeds we will prosper as one nation. We believe that education is the backbone of our economy and we need greater partnership and collaboration with other institutions to empower the Filipino Youth to become better citizens of our country by providing them opportunities in leadership, community service and social action. We believe in the ripples of modest beginnings that societal transformation must start from within and that involves training and awakening of the self; given the chance and guidance, one can become an agent of change for God and country.

### **WHAT WE DO**

In partnership with, and the recognition of the National Youth Commission, Department of Education, and Commission on Higher Education, SYL has empowered more than 200,000 youths and teachers in all its programs and activities in the Philippines, Singapore, and the ASEAN region.

Through our partnership on youth development, SYL is a member of the World Associations of NGO's of the United Nations, International Leadership Academy and the Innovations for Civic Engagements. It was awarded 2004 Ten Accomplished Youth Organizations of the Philippines for Visayas; 2005 National Award on Youth Empowerment and awarded Distinguished Service for Youth Leadership conferred by the HOBY Foundation during the World Leadership Congress, Washington DC, USA. Today, it has its own leadership center for its various trainings and programs. It has opened its own leadership high school in Dumaguete-the only leadership school in Negros Oriental. It runs 60 annual programs in training and development, ventures and international exchange. SYL is a self-sustained organization and is a recognized institution for youth leadership and development by the LDM-Institute for International Education, ICICP, Asia Europe Foundation, Ngee Ann Polytechnic of the Republic of Singapore, National Junior College and other universities and colleges in the Philippines and abroad.

SYL is chaired and founded by Dave G. Saceda who was an Exchange Student at the International Christian University, Tokyo, Japan and graduated with a degree in Arts major in History and Sociology from Silliman University as Cum Laude. He holds 4 Masters Programs: Certificate in Leadership from the Rizal Youth Leadership Institute; Certificate in South East Asian Studies from Silliman University; Certificate in General Academics from the State University of New York; Certificate in Gender, Repro Health and Sexuality from the University of San Carlos, Cebu City; He has a master's degree in Sociology from SU.
