Subject: USING BRIGADA ESKWELA 2014 AS AN OPPORTUNITY TO INFORM OUR  
STAKEHOLDERS OF OUR SCHOOL REBUILDING PLANS IN YOLANDA-AFFECTED  
AREAS

Date: MAY 12, 2014

Over the past ten years, Brigada Eskwela has played a key role in DepEd's efforts to mobilize our communities and stakeholders to prepare our public schools for the opening of classes. Our theme this year sums up our appeal to our volunteers and supporters – "Making Our Schools Safer".

This year, we expect even more volunteers to troop to the public schools in the Yolanda-affected areas. This is an excellent opportunity not only to get them to provide more support, but also to inform them of our rebuilding plans and the status of the availability of resources for rebuilding.

Thus, all Regional Directors and Schools Division Superintendents are enjoined to direct their school heads to post a tarpaulin or cloth banner at a prominent place in the school grounds showing the following details:

Name of school  
Number of new classrooms to be built  
Number of classrooms to be repaired  
Sources of funds (private sector, DepEd, etc.)  
Indicative timetable

The information will be based on the documents provided by the DepEd Central Office showing school needs for new classrooms and repairs, as well as the sources of funds.

For more details, please call Eleanor Prado at the ASP Program Secretariat at telephone numbers +632 6388639 or +632 6388637. You may also call Roda Manalac of the Office of the Undersecretary for Partnerships and External Linkages at telephone number +632 6337207.

Wide dissemination of and strict compliance with this memorandum is desired.

  
MARIO A. DERIQUITO  
Undersecretary
