## **SACEDA YOUTH LEAD**

*Empowering Leaders, Building Communities*

May 29, 2014

Dr. Arden D. Monisit  
Schools Division Superintendent

Sir:

Every day in this world, various inequities have been tripled due to malfunctions of institutions that shape people and its future. Each one has its own way and means to resolve an inequity. With all these societal dramas, people no longer see what could be a greatest source to end, or, if not, control these atrocities.

The **SYL International Conference in Education-ICE- (July 11-13, 2014) with DepEd National Advisory No. 222 Series of 2014, dated May 29, 2014**, is a three day intensive conference focusing on various educational practices from around the world. It features panels and workshops from a wide cross section of cultures, disciplines and perspectives. The conference will explore the programs, policies, and methods used by educational communities to establish peace and development, why and how they work, and how to replicate them in our respective communities and around the world.

We cordially invite you to send Representatives/Delegates to attend and participate in the International Conference in Education in Cebu City. A registration fee of **Three Thousand Five Hundred Pesos (P3,500)** shall be collected for specified meals, full day programs, kits and collaterals, honorarium of speakers and facilitators.
