Dear Ma'am,

Greetings from Special Olympics Philippines!

One of our initiatives, Unified Sports, is dedicated to promoting social inclusion through shared sports training and competition experiences; Unified Sports joins people with and without intellectual disabilities on the same team. It was inspired by a simple principle: training together and playing together is a quick path to friendship and understanding.

Special Olympics Philippines is conducting a **UNIFIED SPORTS TRAINING THE TRAINERS** course for Special Olympics Visayas Region on **June 27-29, 2014** at **Golden Valley Hotel, Palaez Street, Cebu City**. We would like to invite coaches from the Visayas region chapters who have the passion and can handle athletes with and without intellectual disabilities to join our training. Please send coaches from both public and private sectors that will be committed to continue Unified Sports in your respective chapters. We expect your representatives to have adequate knowledge and experience in Special Olympics. We encourage you to send male coaches and who are knowledgeable in football/soccer as the focus of the training will be on the said sport.
