19 June 2014

**DR. CARMELITA T. DULANGON**  
Regional Director  
Department of Education (DepEd 7)

Dear Dr. Dulangon,

Greetings!

The Coalition for Better Education (CBE) is celebrating its 13<sup>th</sup> year as a coalition on August 1. Along this line, we have lined up several activities to commemorate this event. One of these is a series of Mindshare sessions that will focus on the theme of this year's celebration: Leading, Enabling, Advancing, Promoting Education for 21<sup>st</sup> Century Learning. We are calling these sessions the LEAP Series.

The sessions are designed to give the audience a view of how Education should be positioned that will lead schools to practice and students to acquire 21st Century Learning Skills. 21<sup>st</sup> Century Learning is focused on three themes: Learning and Collaboration Skills (Critical thinking, collaboration, communication and creativity), Life and Career Skills, ICT and Media Fluency Skills. We have invited local, national and international resource speakers to give presentations on the various topics outlined in the seminar series.

On this note, we would like to request DEPED to endorse the mindshare sessions to all schools in the region. We are certain that the participants will gain more knowledge and appreciation on 21<sup>st</sup> Century Learning and its application given Philippine setting.

Thank you very much and we look forward to your favorable response.

Sincerely,

  
Ms. LUCHI C. FLORES  
Executive Director

  
Mr. JEFFREY O. TARAYAO  
CBE President  
One Meralco Foundation President

**LEAP** Mind-Share Series

Objectives: The mindshare series is a presentation of 1 hour pep talks on topics that focus on this year's CBE 13<sup>th</sup> year anniversary theme: Leaping, Enabling, Advancing, Promoting Education for 21<sup>st</sup> Century Learning. The sessions are designed to give the audience a view of how Education should be positioned that will lead schools to practice and students to acquire 21st Century Learning Skills.

21<sup>st</sup> Century Learning is focused on three themes: Learning and Collaboration Skills (Critical thinking, collaboration, communication and creativity), Life and Career Skills, ICT and Media Fluency Skills.
