4 JULY 2014

Carolina T. Dabangon
 Director III (OIC)
 Regional Office - DepEd
 Sulong Lahug, Cebu City

Dear Sir/Madam,

Greetings from the Science Clubbing Movement!

The Pambansang Kapisanan ng mga Kabataan Samahan sa Agham (PSYSC), Inc. is the first and largest science club umbrella organization in the Philippines. For 42 years, we have continuously worked hand in hand with schools in successfully delivering quality programs and activities to elementary and secondary science enthusiasts across the nation in order to promote the *public understanding of science, technology and environment (PUSTE)* which is the core thrust of the organization.

The organization annually celebrates the National Science Club Month (NSCM) every September. Science activities are lined up for this celebration—three events to kick start the celebration are the National Science Clubs Summit (SUMMIT), PSYSC Science Olympiad (PSO), and I Teach Science Seminar (ITSS). The SUMMIT is a one and a half-day event, complete with lectures, workshops, and other exciting activities that promote not only ST&E, but also camaraderie among science club members. On the other hand, PSO is an established inter-school quiz competition for high school and elementary students from all over the country. Lastly, ITSS is a half-day activity filled with lecture and workshop and designed for science teachers.

This year, the SUMMIT, together with PSO eliminations and ITSS, is scheduled on September 6-7, 2014. In this regard, we would like to ask for support from your office in the celebration of the National Science Club Month this coming September focusing on the topic of *Health*. Currently, we are looking for possible venues for the much-awaited national events. We have already sent invitations to the following schools:

1. Toledo City Science High School
 Division Office, Toledo City, Cebu
2. Marlene Gelda F. Gloria Memorial High School
 Purok Kapitlan Anso, Baniad, Davao Oriental
3. The Link Learning Center and Childlink High School, Inc.
 570 Zambales Road, Zamboanga City

The criteria set for the selection of a host school are the following:

- Well-ventilated auditorium, gym or multi-purpose hall that can accommodate 400-600 participants
- available classrooms where the participants and facilitators will be housed
- clean toilet and bathrooms
- uninterrupted water supply and electricity
- chairs and good sound system for sessions hall
- at least 2 classrooms for the PSO National Eliminations
- at least one large room for the I Teach Science Seminar
- canteen or nearby restaurant where the participants can buy food
- 2 LCD projectors
- 27 volunteer student facilitators

**WE MAKE SCIENCE
CLUBBING FUN.**

The school that would agree to be the venue of this year's SUMMIT would receive the following:
One (1) year free affiliation for one science club of the host school including all affiliation benefits

- Considered as one of our co-presentors of the event
- Free training for the student volunteers as Regional Facilitators
- Free meals and snacks for the student facilitators and one (1) teacher for the whole event.
- Feature article from one of the regional facilitators in THE CATALYST
- Acknowledgment in PSYSC's official website, www.psysc.org and publication, THE CATALYST

In addition to this, if there are schools in your region that are not included in the list above, which you strongly suggest to host the said events, kindly send us the school's name with their contact details and contact person, if any, and, if possible, an endorsement letter addressed to them, and including the above-mentioned prospect host schools. Your suggestions will be under careful deliberation, and once we have final host school, we will inform your office.

We hope to receive your suggestions by the 1st week of July. Furthermore, we would like to seek support from your office for the whole duration of the event. Your response regarding this matter will be highly appreciated.

Attached herewith are the events' descriptions.

Thank you very much and more power!

In the Service of the Filipino Youth,

Maria Ryan Togonon
