University of San Carlos
Cebu City**

September 1, 2014

Dr. Carmelita T. Dulangon
Director IV, Regional Director
Department of Education, Region VII
Cebu City

Dear Dr. Dulangon:

Greetings!

The Science and Mathematics Education Department (SMED) of the University of San Carlos is currently offering the graduate program Master of Arts in Science/Mathematics Education (MA SCEd/MaMed) where most of our enrollees are science and mathematics teachers from both public and private schools, and scholars of the Department of Science and Technology-Science Education Institute (DOST-SEI).

As part of the requirements in one of its courses, SCED 200 (*Science and Mathematics Education and Curriculum Issues in the Philippines*), students will conduct least two school visits in which they verify and reflect on existing practices in line with the implementation of the *K to 12 Basic Education program for teaching secondary science/mathematics*. In this connection, may we ask your consideration and approval for the following graduate students in the attached list to conduct school visits in their selected public and private schools in Cebu City and province, and gather some relevant information through focus group discussion/ interview with the *science/mathematics coordinator and/or administer questionnaires to science/mathematics teachers*. Please also see the attached sheet for the list of students and their selected schools.

I hope this request merits your approval.

Thank you very much.

Sincerely yours,

Dr. ENRIQUETA D. RESTON
Course Professor, SCED 200

Endorsed :

MR. RICHARD R. JUGAR
Chair, Science & Math Education Department

DR. ANTONIO E. BATOMALAUQUE
Dean, College of Education
