Director III  
DepEd Region 7  
Sudlon, Lahug, Cebu City

Dear Director Dulangon:

The Mathematical Society of the Philippines Cebu Chapter (MSP Cebu) was organized on February 2009 and has been very active in conducting lectures, seminars and workshops on math content and pedagogy aimed at improving the teaching competencies of the mathematics faculty. As part of its continuing pursuit to promote and enhance the level of mathematics research and teaching in the region, the Mathematical Society of the Philippines Cebu Chapter will hold its **2014 MSP Cebu Research Congress and Convention on 5-6 December 2014** at the **DepEd Ecotech Center, Lahug, Cebu City**. The theme of the convention is *"Math Matters: Understanding and Appreciating the Role of Mathematics in Science, Technology, and Human Culture"*.

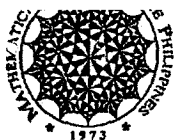

We have invited experts in the different fields of mathematics to be our plenary speakers, namely, MSP President Dr. Jose Maria Balmaceda (University of the Philippines Diliman), Dr. Carlene P. Arceo (University of the Philippines Diliman), Dr. Noli Reyes (University of the Philippines Diliman), Dr. Ferdinand Jamil (Mindanao State University –IT Campus), Dr. Ian June Garces (Ateneo de Manila University). There will also be parallel sessions which will enable researchers in pure math, applied math, and math education to present their works.

We have been very fortunate to have DepEd Region 7 endorse all our seminars, workshops, and conferences in the past. In this regard, may we once again request for endorsement of the said activity? Attached herewith is a copy of the official announcement and call for papers.

We hope for a favorable response to this request. Thank you very much for your kind attention.

Very respectfully yours,

**Lorna S. Almocera, Ph.D.**  
President, MSP Cebu
