 All Others Concerned

1. The Department of Education (DepEd), through the Health and Nutrition Center (HNC), shall implement the *Calaparan sa Paaralan* Program (GPP), in partnership with the Department of Agriculture-Bureau of Plant Industry (DA-BPI), to address malnutrition and promote vegetable production and consumption among school children.

2. The *Calaparan sa Paaralan* shall be implemented primarily in all public elementary and secondary schools nationwide. Prioritization of schools will be based on the presence of at least three of the following considerations:

- a. high prevalence of malnutrition based on nutritional status and line report of the previous school year;
- b. high poverty incidence of the area (belongs to fourth, fifth and sixth class municipalities);
- c. GPs beneficiaries;
- d. low academic performance of school (below 75% proficiency levels); and
- e. presence of active stakeholders.

3. The school head (SH) is expected to monitor the activities and program implementation. The division Technical Working Group (TWG) is expected to monitor compliance of the schools to the guidelines, procurement process, release and disbursement of funds and other activities, such as channeling of vegetables for the feeding program, waste segregation and composting.

4. The regional TWG is expected to monitor the activities of the division office (DO) such as the request for funds, submission of required documents from the schools, release of funds to the SHs, on time use of funds, conduct of trainings in coordination with DA-RFO, progress of implementation, and liquidation of funds.

5. The schools implementing the GPP are required to submit Quarterly School Garden Report to the DO. The DOs are expected to consolidate the quarterly reports and then submit to the regional office (RO) to be followed by the final submission to DepEd Central Office (CO) and to DA-Regional Field Unit (RFO).

6. All regional directors (RDs), schools division/city superintendents (SDSs) and SHs are enjoined to extend full administrative support to the management of the program.
