DR. RHEA MAR ANGTUD  
Schools Division Superintendent  
Department of Education  
Division of Cebu Province

Dear Dr. Angtud,

The Cebu Provincial Sports Commission will organize the Cebu Provincial Summer Games 2016 as part of our grassroots sports development program. This will be a multi-event sports competition to be participated by all local government units and school districts within the province of Cebu for athletes 15 years old and below. Its primary purpose is to provide opportunity for our youth to learn the basic skills in sports and enhance their athletic potential. This will also help establish a unified and comprehensive sports development program for the entire province of Cebu. Due to its scope and magnitude we are asking the support and cooperation of all Local Government Units as well as the Department of Education as our inevitable partners in implementing this project.

In this connection, we are inviting all district supervisors or district sports coordinators to attend an organizational meeting together with representatives from LGU's on Friday, January 22, 2015 1:00 o'clock in the afternoon at the PB Lounge, 2<sup>nd</sup> floor, Legislative Building, Capitol Compound, Cebu City.

We will be discussing matters related to the program foremost of which is the identification of priority sports by local government units. In line with the wishes of the governor, all local government units will be asked to identify 3 priority sports that they want to develop in their locality in partnership with the Cebu Provincial Sports Commission and the Department of Education. The CPSC decided to adopt this strategy to encourage LGU's to focus on fewer sports. This strategy has been proven effective by some LGU's as shown by their stellar performance in regional and national competitions that brought honor to our province and earned the athletes scholarships in college. Basketball and volleyball may not be included in the list of priority sports, although these are still part of the entire program because we have considered the two as recreational sports due to its massive popularity and acceptance among our constituents. Attached is the list of suggested priority sports.

Thank you and more powers.

Very truly yours,

  
ATTY. RAMIL P. ABING
