Madam:

Greetings

It is our pleasure to inform you that the University of Cebu, one of the **largest Universities in the Philippines**, has provided Scholarship and Financial Assistance to almost **Fifteen Thousand (15,000)** poor and deserving students granted by the **University Scholarships Program**.

Particular to our Maritime Scholarship, we have partnered with both local and international agencies, like, the **Norwegian Ship-owners Association (NSA)**, and **Interorient Navigation Company (INC)** to realize dreams of many youth for globally competitive education. This means that if a student is accepted to the **Maritime International Scholarship Grants**, he/she will enjoy full scholarship (tuition, miscellaneous and all school fees, free board and lodging and free books) for the first two (2) years and will be on actual shipboard training on a foreign vessel on his 3<sup>rd</sup> year with allowance ranging from \$450.00 - \$500.00 a month. Part of this allowance would be used to pay for his/her 4<sup>th</sup> year tuition. Immediately after passing the board examination, the student would be hired as an officer by the sponsoring ship owners.

Currently, a Ship Captain or Chief Engineer is receiving a pay of **not less than \$6,000.00 or Php.288,000.00 a month**.

We have also special scholarship for the Grade 10 Students who will enroll in the Senior High School (Grade 11- 12). The **UC- METC** is the **only University in Visayas and Mindanao** offering **Maritime Strands for the Senior High School Students**.

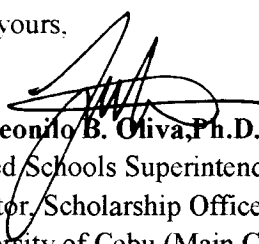

It is in this connection that I humbly appeal and request you to allow us to visit the public and private secondary schools in your Division to present and discuss for **10 – 15 minutes** these scholarships and financial assistance of the University of Cebu to the graduating **High School Students in your Division**.

Attached herewith is the Schedule of the UC Team Headed by **Ret. School Supt., Dr. Leonilo B. Oliva's** visit in your Division on **February 29 – March 19, 2016**.

We will be forever grateful if you can also disseminate this information in a form of Division Memorandum to all your High School Principals, Guidance Counselors, Teachers and Grade 10 Students.

Thank you very much for your kind consideration to our request. This is certainly a great help for us to reach out the poor and deserving students in your division.

Very truly yours,
