Dear Sir/Ma'am,

It is our pleasure to invite your school and students to join the **Search for the Wyeth Nutrition Kid Innovators**, which aims to recognize outstanding students who have developed innovative and relevant science-related projects, celebrating their journey to innovation. This initiative mirrors Wyeth Nutrition's passion for innovation as a company committed to advancing nutrition science.

Through this competition, we wish to help spark the innate curiosity in children and nurture their love for science and passion for innovation, empowering them to make a difference in their own way toward nation building.

On Sept. 16, 2015, Wyeth Nutrition launched the Search during our National Kids' Innovation Day at the Mind Museum in Taguig City, with Catholic Educational Association of the Philippines President Br. Narciso Erguiza Jr. delivering an inspiring message of support.

The Search enjoins all students aged 9 to 14, grades 4 to 8, to submit an innovative science-related project that they produced, either alone or as a group of 2 to 5 members, in compliance with an academic requirement or as a personal initiative. Participant/s shall submit a written brief and a simple video presentation on the project via email to wyethnutritionkidinnovators@gmail.com on or before April 1, 2016.

The top three winning entries shall each receive a cash prize of One Hundred Thousand Pesos and a trophy, along with a science-and-technology showcase worth One Hundred Thousand Pesos for the partner school, at the 2016 Wyeth Nutrition National Kids' Innovation Day.

Please find enclosed the Search for the Wyeth Nutrition Kid Innovators flyer which we sincerely hope can be accommodated in your school bulletin board to serve as reference for your students and teachers.

Looking forward to your most valued support. Our deepest thanks.

Sincerely,

Anne Michelle T. Pador
