Dear Dr. Angtud,

Warm greetings from the Capitol!

The Cebu Provincial Disaster Risk Reduction and Management Office, in coordination with the Provincial Information Office, SMART and Department of Education will conduct an information drive about La Niña in different public elementary schools in the Province. This info drive aims to raise school children's awareness and preparedness when La Niña sets in bringing typhoons, floods and other hazards.

The information drive team will visit the top three high-risk elementary schools in the identified top ten flood- and landslide-prone towns and cities in the Province.

In line with this, we would like to invite you together with your DRR Focal person to the official launching of the said information drive to be held at Mayor A.S. Fortuna Memorial Elementary School formerly known as Guizo Elementary School in Barangay Guizo, Mandaue City on July 20, Wednesday, from 10:00am to 12:00nn.

This launching will be attended by Gov. Hilario P. Davide III, Vice Governor Agnes Magpale, officials from the local government of Mandaue City and officials from DepEd Region Office 7.

Hoping for your positive response.

Thank you.

Respectfully,
