THE RISE OF THE PINOY

DR. BIANITO DAGATAN, CESO V
Schools Division Superintendent
Department of Education
Division of Cebu City, New Imus Street
Day-as, Cebu City

Dear Dr. Dagatan:

I hope you were able to contact **Mike Grogan**, the author of "*The Rise of the Pinoy*". As I said when we talked about it, their talks and presentations are free. His team members are two Pinoy Youths, a boy and a girl both 24 years old who have been inspired and developed to the best that they can be in the Philippines; not to work abroad.

One other thing that I had wanted to inform you is that our Rotary Club, the Rotary Club of Cebu has a program; The Gift of Life. It is to help children who have defective hearts; 14 years old and below. If there are children in your division who can benefit from the program; get the names of the parents, their address, the child, medical records if any and give them to me and I will it submit for assessment and evaluation for possible assistance.

You can share these information to your colleagues and superiors.

Very truly yours,

Jose R. Gapas
A Concerned Senior Citizen
