Mostly asked questions about K to 12...

Is UC prepared for K to 12 ?

As of 2012, UC has prepared its curriculum, faculty and facilities in response to the challenges brought by the implementation of K to 12. In April 2015, UC was granted a special permit by the Department of Education to implement Senior High School.

When was the K to 12 Program implemented?

Senior Kindergarten began in SY 2011-2012. Grade 1 students in SY 2012-2013 are the first batch to fully implement the program, and the 1st year Junior High School students (or Grade 7) are the first to undergo the enhanced secondary education program.

Grade 11 was introduced in SY 2016-2017 and Grade 12 in SY 2017-2018. The first batch of high school students to undergo K to 12 will graduate in March 2018.

CORE CURRICULUM

There are eight subject areas under the Core Curriculum. These are:

- Language
- Mathematics
- P.E. & Health
- Science
- Communication
- Social Science
- Philosophy
- Humanities

Current content from some General Education subjects are embedded in the SHS curriculum

CAREER PATHWAYS

Each student in Senior High School can choose among four tracks:

- Academic
- Technical-Vocational-Livelihood
- Arts and Design
- Sports

Additional strands offered by UC:

- Pre-Baccalaureate Maritime
- Criminology

3. Is a graduate of Senior High School employable?

Yes, a Senior High School graduate is employable and can even explore entrepreneurial options and open his/her own business, or may opt to proceed to study in College.

4. What's at stake for those who can not finish the SENIOR High School?

One can not be considered a High School graduate, thus, one can not proceed to study in College.

5. Is it possible for a student taking up Grades 7 to 10 from a public school to continue his/her SENIOR High School at UC ?

Very much possible. One can proceed to be enlisted or enrolled in a preferred UC Campus.

6. What is the Voucher System?

The Senior High School Voucher Program is a way to help those who finished Grade 10 and want to continue studying in a private school. DepEd will provide a financial subsidy to all students until the end of Senior High School.

All those who finish Grade 10 from public schools are entitled to the 100% total value of the Voucher while, those who finish from a private school are entitled to 80% equivalent of the Voucher grant.
