Dear Dr. Jeruta,

Peace in Christ!

In this age where technology moves at breakneck speed, it becomes increasingly important for educators to keep updated with the latest innovations in technology and pedagogy. We are inviting teachers from different schools to the 3rd Society for Technology in Education Philippines (STEP 2017) EdTech Conference on April 5-7, 2017. The theme this year is "ICT: Ignite, Collaborate, Transform". This will be held at Sacred Heart School – Ateneo de Cebu, Mandaue City, Cebu. Our aim is to provide the opportunity for administrators and educators' professional development and networking. This is open to all academic administrators, educators, researchers and edtech enthusiasts who are interested in developing students' learning, creativity, problem solving, critical thinking and communication & collaboration abilities with the use of technology.

It is in this light that we would like to ask for your endorsement and support for this Edtech Conference. We would also be highly honored if you would grace us with your presence.

We will only be limiting attendance to 2 teachers per school. The regular registration fee will be Php 3,000.00. The registration fee will include the in-conference meals and kits only. To register for the conference, view the program and for any updates, please visit the following:
