DepEd RO7 Advisory No. 95 s. 2017
March 27, 2017

(In compliance with DepEd Order No. 8, s.2013, this advisory is issued for the information of DepEd officials, personnel/staff, as well as the concerned public.)

REGIONAL SCIENCE CAMP OF THE PHILIPPINE SOCIETY OF YOUTH SCIENCE CLUBS INC.

1. This Office is hereby disseminating the communication from the Philippine Society of Youth Science Clubs (PSYSC) inviting all Grade 5 and Grade 6 learners to the Regional Science Camp (RSC) on June 24-25, 2017 at Minglanilla Central School, Minglanilla, Cebu.
2. The Regional Science Camp aims to promote active science clubbing and the construction of inventions and innovations among children within the region.
3. For details, refer to the attached communication from Reisha Claffel Z. Ferraren, PSYSC RC VII Chairperson.
4. Participation of both public and private schools shall be subject to the *no disruption of classes policy* stipulated in Deped Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
5. For the information of all interested and concerned parties.

Pambansang Kapisanan ng mga Kabataan Samahan ng Agham
(**PHILIPPINE SOCIETY OF YOUTH SCIENCE CLUBS**), Inc.
Regional Council VII
Cebu Province

March 7, 2017

JULIET A. JERUTA, Ph.D.
Director III
Office of the Regional Director
Department of Education Regional Office – Region VII

Dear Dr. Jeruta:

Greetings from the Science Clubbing Movement!

The **Pambansang Kapisanan ng mga Kabataan Samahan ng Agham (PSYSC), Inc.** is a non-stock, non-profit organization that remains as the frontrunner of the Science Clubbing Movement in the Philippines for more than 45 years. Through conducting science-related activities, PSYSC encourages the essential role of science clubs in addressing today's issues and thus promoting the *Public Understanding of Science, Technology, and Environment (PUSTE)*, its thrust.

As an effort to further attain its goals, **PSYSC Regional Council (RC) VII**, in cooperation with the **Enthusiastic Inventors and Sci-Tech Innovators (EINSTEIN) Club** and the **Batch 2018 of Philippine Science High School – Central Visayas Campus (PSHS – CVisC)**, will bring the **Regional Science Camp (RSC)** this coming **June 24 - 25, 2017** to be held in **Minglanilla Central School, Minglanilla, Cebu**. The RSC will be a two-day science camp for **Grade 5 and Grade 6 students in Region VII**.

With the theme "**ENG'GAGE: Engineering Novelty for the Young Generation**", the camp aims to promote active science clubbing and the construction of inventions and innovations among children within the region. The camp shall be composed of an engineering challenge, a workshop, and an invention and innovation expo. The participants shall be grouped randomly into sub-camps, which will be their primary groups throughout the event. However, for the Eng'gage program, science race, poster making contest, and essay writing contest, participating teams shall be by school. In this event, participants are able to interact with fellow science clubbers, know more about engineering, and enhance their creativity for the betterment of technology and of the environment.

In line with this, we humbly request your office to grant us an issuance of an advisory for immediate information dissemination regarding RSC.

Please let us follow up certain matters regarding this. Should you have any questions, please do not hesitate to communicate with us using the contact details in this letter.

Thank you very much and more power!

In service of the Filipino youth,

REISHA CLAFFEL Z. FERRAREN
PSYSC RC VII Chairperson/EINSTEIN Club President
