Dear Dr. Angtud:

The Bangko Sentral ng Pilipinas (BSP) Cebu Regional Office is conducting a series of briefings on the new and enhanced security features of the New Generation Currency (NGC) series of the Philippine Banknotes.

These initiatives are in line with the objective of the BSP to enhance the economic and financial learning of our people and with such knowledge, they are better equipped to improve the quality of their lives. The briefing is also intended to make the public aware and at the same time educate them in identifying the genuine notes with the aim of safeguarding the integrity of the currency and to help strengthen the knowledge of our public school teachers about the Philippine Currency.

In this light, may we seek your approval and endorsement to allow our staff to conduct a series of briefings in the different schools/districts under your jurisdiction and to take part during the In-Service Training Workshop for teachers/district supervisors.
