**DR. JULIET A. JERUTA**  
(OIC) Regional Director  
DepEd Region VII  
Sudlon, Lahug, Cebu City

Dear Dr. Jeruta,

SEAMEO INNOTECH has been implementing online courses in the last 10 years and the Department of Education has been a supporter and collaborator in the implementation of these online courses. We are pleased to inform you that consistent with our mandate to incubate educational innovations, we have developed a Massive Open Online Course (MOOC) on Igniting Passion for Teaching. This online course aims to inspire, rekindle and build the capacity of teachers on passion for education.

The course will begin on July 31, 2017. We are offering this for free and enrollment is now open.

This course allows more flexibility in completing the course activities. It is estimated that a learner will take 1 to 2 hours per week for approximately 4 weeks to complete the course. All discussions are asynchronous and thus, learners have more control over the schedule of their participation.

We are using the Knowledge Education and Exchange Platform (KEEP) of the Chinese University of Hong Kong (CUHK) as the online delivery platform. We have attached an infographic step-by-step guide on how to create an account in KEEP and enroll in the course.

May we request you to promote the course to your network together with the information on how to enroll. We hope that educators will be able to take advantage of this unique opportunity for professional development.

Should you have any question, please feel free to contact us through our MOOC Project Manager, Ms. Joan Atienza at 9247681 loc 195 or by email at [mooc@seameo-innotech.org](mailto:mooc@seameo-innotech.org).

Sincerely,

**RAMON C. BACANI**  
Director
