2. The PNG serves as the final tryout or qualifying tournament for the selection of the national pool of athletes to represent the Philippines in international competitions. The BP, on the other hand, provides a significant avenue for the in-school and out-of-school children to get involved in sports. It harnesses athletic skills at an early age, offers opportunities for social integration, and develops admirable values through sports. High-performing athletes discovered in this event may also be considered to participate in the national developmental pool.

3. The DepEd, through its regional and schools division offices, shall extend its support to the successful conduct of the 2017 PNG and BP.

4. The guidelines on the participation of public elementary and secondary school learners as athletes, and the involvement of school officials and personnel, teachers, as well as coaches and officiating officials are as follows:

- a. Expenses of the learner-athletes and school coaches relative to their participation in the 2017 PNG and BP activities shall be shouldered by the local government units (LGUs), which they represent. No funds coming from the DepEd shall be used for the said event. *There shall be no fund raising activity by field officials, public school administrators or teachers for the same purpose;*

- b. The LGUs shall coordinate with the schools division physical education and school sports (PESS) supervisors regarding the identification, recruitment, and participation of the learner-athletes, and the designation of coaches. It is desired that they shall be guided by the performance standards set in their last district or division athletic meets on deciding the events in which their athletes can compete;
- c. Physical Education and other public school teachers and non-teaching employees selected by the National Sports Associations (NSAs), as confirmed by the PSC and approved by the DepEd, through their respective schools division superintendents or heads of offices, shall serve as officiating officials in the 2017 PNG and BP and they shall attend on **official time only**;
- d. Participation of learner-athletes in any PSC-sponsored activities contributes to the total development of the child and their attendance is encouraged, thus make-up classes, which shall be held after each cluster and the national championships for all participating learner-athletes shall be arranged accordingly by their respective class advisers and school principals;
- e. PSC shall allocate funds for the 2017 PNG and BP, which shall include, but not limited to, food, accommodations, honoraria, and transportation expenses of all DepEd technical officials to and from the host city; and
