DepEd RO7 Advisory No. 78 s. 2016
September 25, 2017

(In compliance with DepEd Order No. 8, s.2013, this advisory is issued for the information of DepEd officials, personnel/staff, as well as the concerned public.)

25TH ANNUAL MEETING AND REGIONAL SCIENTIFIC CONVENTION

1. This Office is hereby disseminating the communication from the Philippine Society for Microbiology, Inc. Visayas Regional Chapter inviting all public and private secondary schools to the 25th Annual Meeting and Regional Scientific Convention on November 9-10, 2017 at the University of San Carlos, Talamban Campus, Cebu City.
2. The activity aims to provide a comprehensive forum for the exploration and discussion of various topics of microbiology in industry, academe, environment and medicine.
3. For details, refer to the attached communication from Doralyn S. Dalisay, PSM Visayas Chapter President and Convention Chair.
4. Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in Deped Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
5. For the information of all interested and concerned parties.

PSM VISAYAS

25th ANNUAL MEETING and
REGIONAL SCIENTIFIC CONVENTION

Accelerating Research and Innovation in Philippine
Microbiology for Sustainable and Safe Future

9 - 10 November 2017
SAFAD Theater
University of San Carlos
Talamban Campus
Cebu City, Philippines

The goal of this regional gathering is to provide a comprehensive forum for the exploration and discussion of various topics of microbiology in industry, academe, environment and medicine. We have invited renowned speakers in the fields of education, agriculture and veterinary, aquatic, basic, environment, food, medical, and industrial microbiology to serve as plenary lecturers and scientific paper presenters. Scientific and technical sessions consisting of competing and non-competing oral and poster paper presentations, invited speakers, keynotes and workshops in different areas of microbiology will take place during the convention. We wish to invite students, teachers, researchers, scientists, policy makers and industry partners to join this two day scientific convention.

The Philippine Society for Microbiology, Inc. Visayas Regional Chapter

August 23, 2017

Julietta A. Jeruta, Ph.D., CESO V
Officer-in-Charge, Department of Education
Region VII, Central Visayas
Sudlon, Lahug, Cebu City 6000

Dear Dr. Jeruta,

The Philippine Society for Microbiology, Inc (PSM) Visayas Regional Chapter will be holding its 25th Annual Meeting and Regional Scientific Convention on **November 9-10, 2017** in University of San Carlos, Talamban Campus, Cebu City, Philippines. The theme of this year's activity is *"Accelerating Research and Innovation in Philippine Microbiology for Sustainable and Safe Future"*.

The goal of this regional gathering is to provide a comprehensive forum for the exploration and discussion of various topics of microbiology in industry, academe, environment and medicine. This convention will be attended by microbiologist in research institutes, hospitals, food and aquaculture industries, as well as teachers and students (graduate, undergraduate and secondary school) from various universities in the Visayas region.

In order to heighten awareness especially among the academe on the relevance of Microbiology in our daily lives, students at the secondary and undergraduate levels with their Teacher-Coaches are encouraged to participate in the oral and poster paper competitions. In addition, exhibits on books, equipment, chemicals and reagents, and other materials used in research and instruction will be provided by suppliers of these products.

In this regard, we wish to request your endorsement for the support and participation of all the concerned public and private secondary schools in Region VII in accordance with pertinent Department of Education guidelines. As in previous years, this year's convention promises to be an enriching experience for all the participants.

Please find attached the Program of Activities, Program Announcement and Guidelines for Student Research Paper Competition for your perusal. Thank you in anticipation of your support to this worthwhile activity.

Sincerely,

DORALYN S. DALISAY, Ph.D.

GENERAL GUIDELINES

PSM-VISAYAS REGIONAL STUDENT RESEARCH COMPETITION 2017

I. Levels and Categories of Research Entries

Research project should be in any area of microbiology. Entries submitted should indicate whether it is for oral or poster presentation. No entry can be considered for both categories.

A. Oral Presentation

Level 1 Secondary Level

Level 2 Undergraduate Level

Level 3 Graduate Level

A group leader should be appointed for each team who will be the coordinator and spokesperson for the group. However, each member should be fully involved and familiar with all aspects of the project.

All names of group members must be included on the abstract. Only the group leader shall be allowed to present and act as spokesperson to defend the project during the day of presentation. However, other members of the group should also be present for any inquiries regarding the project.

B. Poster Paper

Level 1 Secondary Level

Level 2 Undergraduate Level

Level 3 Graduate Level

II. Qualifications

1. Level 1: Secondary Level

Open to all students in public and private schools in Visayas Region for school year 2017-2018. High School students should not be more than 21 years old. Schools may send more than one entry.

2. Level 2: Tertiary Level

Open to all students enrolled in BS Biology, BS Medical Technology, BS Public Hygiene, BS Pharmacy, BS Nursing, BSEd (Biology or General Science), Life Sciences or related fields in all tertiary schools in Visayas Region for Academic Year 2017-2018. Schools may send more than one entry.

**25th ANNUAL MEETING AND
REGIONAL SCIENTIFIC CONVENTION**

9-10 November 2017
SAFAD Theater
University of San Carlos
Talamban Campus
Cebu City, Philippines

3. Level 3: Graduate Level

Open to all students enrolled in PhD/MS Biology, PhD/MS Medical Technology, PhD/MS Public Hygiene, PhD/MS Pharmacy, PhD/MS Nursing, MEd (Biology or General Science), Life Sciences or related fields in Universities in Visayas Region for Academic Year 2017-2018. Schools may send more than one entry.

II. Schedule

- | | |
|--|--------------------------------------|
| 1. Deadline Abstract Submission | September 30, 2017 |
| 2. Acceptance of Abstract | October 10, 2017 |
| 3. Deadline of Extended Abstract (Maximum of 5 pages): | October 30, 2017 |
| 4. Setting up of Posters | November 9, 2017
7:00pm – 9:00 am |

III. Requirements for Submission of Entries

1. Certification as project adviser or adult sponsor signed by school head
2. Three (3) copies of official EXTENDED abstract (maximum of 5 pages, see details below)
3. Each student/group may enter only one project that covers research period from June 2016– August 2017.

V. Format of Research Paper for Oral Presentation

A. Extended Abstract

1. Write-up

- a. Typewritten
- b. Font type: Times New Roman
- c. Font size: 12 pts
- d. Paper: short bond paper (8" x 11")
- e. Line spacing: 1.5

2. Contents:

- a. Title
- b. Abstract - (1 page only, typewritten in Time New Roman; font size 11, single space and not more than 250 words with the following contents: objective/purpose; procedures/methods; results; conclusion/s)
- c. Introduction (*Background of the Study, Statement of Problem, Objectives, Significance of the Study, and Scope and Limitations*)
- d. Methodology
- e. Results and Analysis of Data
- f. Discussion
- g. Conclusions
- h. Recommendations
- i. Bibliography

B. Oral Presentation

1. Length of presentation:

- a. Presentation: 10 minutes
- b. Answer to questions: 5 minutes

a. Presentation: 20 minutes

b. Answer to questions: 5 minutes

2. Presentation medium: any but multimedia projector will be provided

VI. Format for Poster Presentation

1. Size - 3 ft. wide, 4 ft. height
2. Title: all caps
3. Authors
4. Content
 - Introduction
 - Methodology
 - Results
 - Discussion
 - Conclusion
 - Recommendations
 - Bibliography (max of 5 only)

VII. Criteria for Judging

A. Oral Presentation

Judging of entries will be based on overall average of research paper and oral presentation.

Specifically the following criteria will be used:

1. Research Paper	
i. Originality of work	40%
ii. Significance of project	30%
iii. Clarity of presentation	20%
iv. Technical presentation of paper	<u>10%</u>
	100%
2. Oral Presentation	
i. Clarity of presentation	50%
ii. Presentation skills	20%
iii. Soundness of answers	15%
iv. Overall impact of presentation	<u>15%</u>
	100%
B. Poster Presentation	
i. Content	40%
ii. Clarity of presentation	30%
iii. Overall visual impact	<u>30%</u>
	100%
